

Parayhouse Weekly Newsletter

8/2/19

- ❖ PLEASE NOTE that if your child has a contagious bug or virus we politely request that you consider keeping them at home until they improve. We have a large number of students with medical conditions and weakened immune systems which put them at particular risk from these illnesses and would like to keep all children as safe and healthy as possible. In general, it is recommended that any student with diarrhoea and/or **vomiting** symptoms must stay away from the **school** until they have been free of symptoms for **48 hours** and feel well.
- ❖ REMINDER: On Friday 15th we will be holding our Healthy Schools celebration assembly. This will start at 2.00pm. We would love to see as many of you as possible. Students may wear their own clothes in line with the topic e.g. sportswear, doctor's outfits. We would also appreciate any donations of food for the afternoon – please send these in on the day for the attention of Mrs Hill.
- ❖ Ms Geraghty has sent home letters this week inviting families to a Makaton workshop. If you are interested please let her know asap.
- ❖ Some of our older students enjoyed a visit to the Supported Internship Fair on Thursday, we are excited about our links with Project Search who provide placements in L'Oreal, Hilton Hotel, Several hospitals, Heathrow airport to name a few.
- ❖ Mars, Jupiter and Saturn are off to see a musical production of 'Chicago' this afternoon.
